Investors do not benefit from the specific investor protection provided under the CISA.
In addition, investors are subject to the credit risk of the Issuer.
This document is not a prospectus within the meaning of article 1156 of the Swiss Code of Obligations (CO).

I. PRODUCT DESCRIPTION

Market expectation of the Investor
Underlyings trade sideways to slightly higher.
The Barrier Event will not occur.

Product description
This Product offers the Investor a periodic opportunity to receive a Conditional Coupon Amount (with memory effect). In addition, the Product can also be early redeemed if the relevant conditions are met on any of the pre-defined Autocall Observation Dates. If no Early Redemption and no Barrier Event have occurred, the Investor will receive on the Redemption Date a Cash Settlement equal to the Issue Price. If a Barrier Event has occurred, the redemption of the Product will depend on the value of the Underlying with the Worst Performance, as described in section "Redemption".

If any of the above-mentioned Autocall/Coupon Observation Dates is not an Exchange Business Day for an Underlying, the next following Exchange Business Day for that Underlying shall be the respective Autocall/Coupon Observation Date. If any of the above-mentioned Early Redemption or Coupon Payment Dates is not a Business Day, the next following Business Day will apply. For the avoidance of doubt, a Coupon Payment Date will never be later than the Early Redemption Date.

REDEMPTION

Provided that no Early Redemption has occurred on one of the previous Autocall Observation Dates, the Investor is entitled to receive the Conditional Coupon Amount(s) on the relevant Coupon Payment Date(s), subject to the Conditional Coupon Amount provisions.
Provided that no Early Redemption has occurred on one of the pre-defined Autocall Observation Dates, the Investor is entitled to receive from the Issuer on the Redemption Date per Product:

Scenario 1	If a Barrier Event has NOT occurred, the Investor will receive a Cash Settlement in the Settlement Currency equal to: Issue Price
Scenario 2	If a Barrier Event has occurred, the Investor will receive a Cash Settlement in the Settlement Currency according to the following formula: Issue Price × Worst Performance

Initial Fixing Level	Official close of the respective Underlying on the Initial Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Final Fixing Level	Official close of the respective Underlying on the Final Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Worst Performance	For each Underlying the performance is calculated by dividing its Final Fixing Level by the respective Initial Fixing Level. The Worst Performance corresponds to the lowest of all so calculated values, as determined by the Calculation Agent.
Barrier Event	A Barrier Event shall be deemed to occur if at least one of the Underlyings' Final Fixing Levels is at or below the respective Barrier Level, as reasonably determined by the Calculation Agent.
Early Redemption	Provided that on one of the pre-defined Autocall Observation Dates the official close of all Underlyings is above their Autocall Trigger Level, an Early Redemption will occur and the Product will expire immediately. The Investor will receive on the relevant Early Redemption Date a Cash Settlement which equals the Issue Price. No further payments will be made.
Coupon Trigger Event	A Coupon Trigger Event shall be deemed to occur, if on any Coupon Observation Date all Underlyings close above their respective Coupon Trigger Level, as reasonably determined by the Calculation Agent.

PRODUCT DOCUMENTATION

The Indicative Termsheet includes the information required for a preliminary simplified prospectus pursuant to Article 5 of the Swiss Federal Act on Collective Investment Schemes ("CISA"). The Termsheet, which will be available no later than on the Issue Date, as well as the Final Termsheet include the information required for a definitive simplified prospectus pursuant to Article 5 CISA. For investors in the EEA: A base prospectus approved by the Bundesanstalt für Finanzdienstleistungsaufsicht (“BaFin”) allows the public offer of the Product in certain member states. The BaFin has provided the competent authority of the relevant host member state with a certificate of approval attesting that the base prospectus has been drawn up in accordance with the Directive 2010/73/EU of the European parliament and of the council dated November 24, 2010 amending Directive 2003/71/EC of the European parliament and of the council dated November 3, 2003 concerning the base prospectus to be published when securities are offered to the public or admitted to trading on a regulated market. This base prospectus thus benefits from a European passport enabling an offer to the public of the Product in the relevant host member state. Potential investors should read the Base Prospectus, as supplemented from time to time and the final terms before subscribing the Product.This document contains a summary of information of the Product and is for information purposes only. Only the Final Terms together with the respective Base Prospectus, as supplemented from time to time, as well as a possible summary of the individual issue form the documentation of the Product (the “Product Documentation”); therefore the Final Terms should always be read together with the Base Prospectus as well as a possible summary of the individual issue.

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions. Notices to investors in Switzerland relating to the Issuing Parties will be published under the section “About Leonteq” on www.leonteq.com and/or on the web page of the respective Issuing Party.

Insofar as this publication contains information relating to a Packaged Retail and Insurance-based Investment Product (PRIIP), a Key Information Document in accordance with Regulation (EU) No 1286/2014 (PRIIPs Regulation) is available and can be obtained from www.priipkidportal.com.

During the whole term of this Product, the Product Documentation is available in electronic form on the website indicated in the Final Terms and can be ordered free of charge at Leonteq Securities AG, Europaallee 39, 8004 Zurich, Switzerland, via telephone (+41-(0)58-800 1000*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com).

II. PROSPECTS FOR PROFIT AND LOSS

This Product falls within the category "Yield Enhancement" which means that there is an upper limit to the profit an Investor can realize with this Product. At redemption the Investor could receive a maximum amount corresponding to the invested capital (excluding any transaction or other costs) plus any additional (guaranteed and/or conditional) payments such as coupon or participation payments, bonuses or others.

On the downside, especially if the Product has forfeited any contingent capital protection (like e.g. a barrier, strike), the Investor is exposed to the negative development of the Underlying(s). This might (even if a stop loss event has occurred) lead to a partial or even a total loss of the investment.

Please refer to the sections “Product Description” and “Redemption” for more detailed information on the characteristics of this Product.

III. SIGNIFICANT RISKS

RISK FACTORS RELATING TO THE PRODUCT

The risk of loss related to this Product is similar to an investment in the worst performing Underlying. Therefore, the Investor could lose the total capital invested if the Barrier Event has occurred and if the value of the Underlying with the Worst Performance falls to zero.

ADDITIONAL RISK FACTORS

Prospective Investors should ensure that they understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and also see the information on risks contained in the Product Documentation.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for the portfolio of the investor taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the respective Final Terms.

Investors whose usual currency is not the currency in which the Product is redeemed should be aware of their possible currency risk. The value of the Product may not correlate with the value of the Underlying(s).

Market Risks
The general market performance of securities is dependent, in particular, on the development of the capital markets which, for their part, are influenced by the general global economic situation as well as by the economic and political framework conditions in the respective countries (so-called market risk). Changes to market prices such as interest rates, commodity prices or corresponding volatilities may have a negative effect on the valuation of the Underlying(s) or the Product. There is also the risk of market disruptions (such as trading or stock market interruptions or discontinuation of trading) or other unforeseeable occurrences concerning the respective Underlyings and/or their stock exchanges or markets taking place during the term or upon maturity of the Products. Such occurrences can have an effect on the time of redemption and/or on the value of the Products.

No dividend payment
This Product does not confer any claim to receive rights and/or payments of the underlying, such as dividend payments, unless explicitly stated herein, and therefore, without prejudice to any coupon or dividend payments provided for in this Termsheet, does not yield any current income. This means that potential losses in value of the Product cannot be compensated by other income.

Credit Risk of Issuing Parties
Investors bear the credit risk of the Issuing Parties of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuing Party and rank pari passu with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuing Party. The insolvency of an Issuing Party may lead to a partial or total loss of the invested capital.

Secondary Market
The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, will, under normal market conditions, provide bid and offer prices for the Products on a regular basis. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.

Illiquidity Risk
One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.

ADDITIONAL INFORMATION / DISCLAIMER

Prudential Supervision
Leonteq Securities AG is authorised as securities dealer and subject to prudential supervision by FINMA. Leonteq Securities AG, Guernsey Branch is regulated by the Guernsey Financial Services Commission ("GFSC").

Conflict of Interests
The Issuing Parties and/or the Lead Manager and/or any third party appointed by them, as the case may be, may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market as well as be active on both sides of the market at the same time in any securities, currencies, financial instruments or other assets underlying the products to which this document relates. The Issuer's and Lead Manager's and/or the appointed third party's trading and/or hedging activities related to this transaction may have an impact on the price of the Underlying and may affect the likelihood that any relevant Barrier Level, if any, is reached.

Remunerations to Third Parties
Depending on the circumstances the Issuer and/or Lead Manager may sell this Product to financial institutions or intermediaries at a discount to the Issue Price or reimburse a certain amount to such financial institutions or intermediaries (reference is made to section "General Information" herein). For open-end products such fees will be split linearly over ten years.

In addition, for certain services rendered by distribution partners and to increase quality and services relating to Products, the Issuer and/or Lead Manager may from time to time pay trailer fees to such third parties.

Further information is available on request.

Payment of a Coupon
If the Product stipulates the Payment of a Coupon, the Investor is only entitled to receive the respective coupon payment, if he has purchased/not sold the Product at the latest on the Business Day preceding the respective Coupon Ex-Date for the then prevailing price.

No Offer
The Termsheet should not be construed as an offer, recommendation or solicitation to conclude a transaction and should not be treated as giving investment advice.

No Representation
The Issuer, the Lead Manager and any third party appointed by them make no representation or warranty relating to any information herein which is derived from independent sources.
